WARNING
These recommendations should be used as a general reference only. Final selection should be made with the assistance of a qualified installation technician.
For any further information please contact our Technical Service.

***NOTE:**
Suzuki® engines built from 1998 to 2008 installing UC128-OBF/1 cylinder require optional **KIT SU** - 41954W.

For higher horsepower applications, high performance SilverSteer™ cylinder is recommended.
