LOCKING
PLATE

DISASSEMBLING
TOOL

Start assembling the end row, you won't be disturbed by plates if you move backwards.

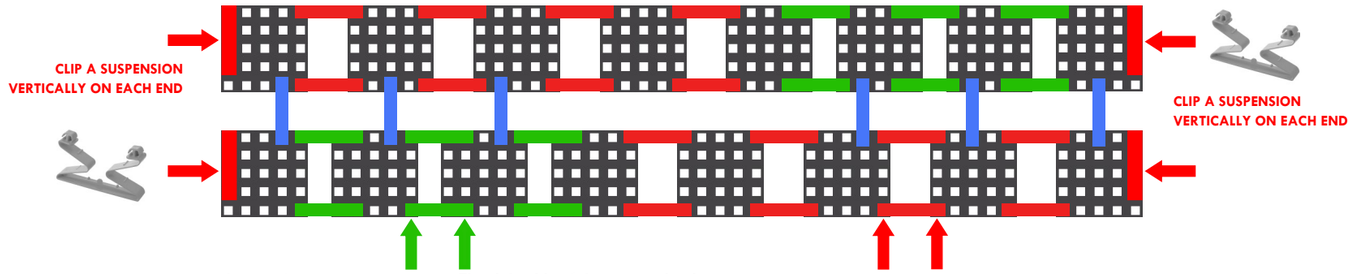

Measure the shortest width for each 15 cm row and find the corresponding drawing or shorter in the following list.

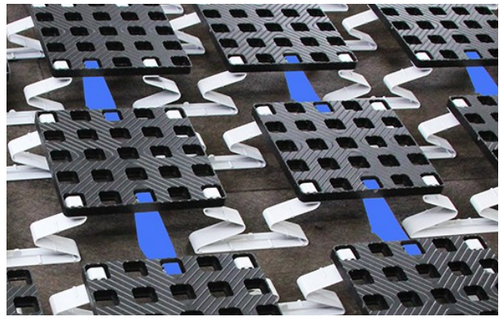

## COLOUR CODE INDICATES THE SPACE BETWEEN PLATES

**GREEN : 28 mm SPACE BETWEEN PLATES**

**RED : 50 mm SPACE BETWEEN PLATES**

Connect rows after assembling, with connectors, using available holes which are in alignment

| 81 cm | | 127 cm | | 173 cm | | 219 cm | |
| 83 cm | | 129 cm | | 175 cm | | 222 cm | |
| 85 cm | | 131 cm | | 178 cm | | 224 cm | |
| 87 cm | | 134 cm | | 180 cm | | 226 cm | |
| 90 cm | | 136 cm | | 182 cm | | 228 cm | |

## FIRMNESS ZONES

To reinforce lumbar zone, add a 3rd suspension between the 2 existing ones

## FASTENING

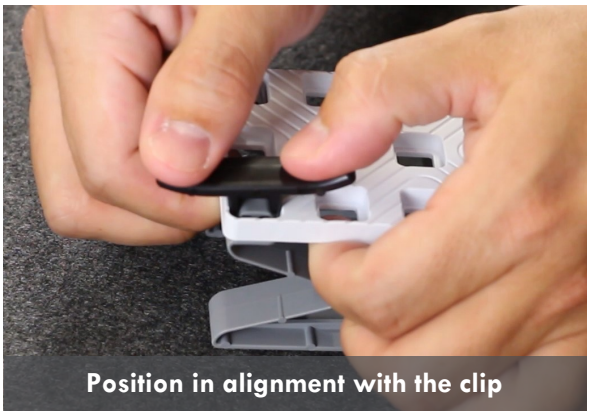

MODULOFLEX can be secured to the support by means of locking plates every 50 cm

## EASY ACCESS TO STORAGE

To access to storage, unmount suspensions and connectors around the doors

## DISASSEMBLING TOOL

Position in alignment with the clip
