NEW PRODUCT ANNOUNCEMENT

NEMESIS® 7" SAILING DISPLAY

The B&G® Nemesis® 7" Sailing Display completes the Nemesis family of instrument display. This compact yet powerful instrument delivers exceptional visibility, full customization, and intuitive touchscreen control—designed to fit even the tightest helm spaces. With advanced features like the new Pilot Status Dashboard, adaptive Contextual Modes, and flexible installation options across three sizes, Nemesis clearly sets a new benchmark in sailing instrumentation.

NEMESIS 7" KEY FEATURES

Premium Instrument Display

IPS HD touch screen provides super wide viewing angles available on 7-, 9- and 12-inch display.

Complete Customisation

Use preset dashboards or create your own. Show your data, where you want it, in the format you like. Adjust layout, size, colours, graphic elements and more.

Contextually Intelligent

Automatically switch dashboards based on point-of-sail; adjust font colours if thresholds are exceeded; what you need, when you need it.

Flexible Installations

Mount in either portrait or Landscape, and now available in three sizes (7", 9" & 12"), Nemesis fits seamlessly on the mast or in the cockpit.

Embargoed and confidential. Not for external distribution or publication prior to Jarnuary 17,, 2026.

NEMESIS 7" KEY FEATURES

New Pilot Status

A new visual representation when the pilot is engaged, and commission your Autopilot onscreen. Available across the Nemesis range via software update in January 2026.

Apple Watch® Integration

Control your Nemesis on the touch screen or via an Apple Watch® Series 3 and above.

Embargoed and confidential. Not for external distribution or publication prior to Jarnuary 17,, 2026.
